Welcome to 2022!

Many of us are excited for 2022 to arrive, and look forward to what the new year has to bring. We are here to support our dancers' goals and to help them mature and enrich themselves as both a dancer, and a person.

We are hopeful that we will be able to host an annual recital again in 2022, and will update our dance family with more information in the new year.

Wishing you all health, wealth and happiness for the holiday season, and for the year to come!
