Official Change to DanceStudio-Pro Platform

Over recent months we have been letting our dance families know we are transitioning to a new system. All registrations for the summer and the new season must be in our new **DanceStudio-Pro System**. Payment options must be updated as well.

The final weeks of classes absences can still be marked in our old system which will still be active on our website until June 18th. At which point you will be directed to the DanceStudio-Pro system.

If you have not yet logged into this system use the email associated with our old system and reset your password. **DO NOT CREATE A NEW ACCOUNT.**

You can also download the app by visiting the App Store for your appropriate device and searching for **DanceStudio-Pro Portal**

Charlie's "Untapped Potential" Scholarship

Also announced by Miss Amanda in our 6:00 recital show was a new scholarship being offered in memory of Charlie Leitis.

Charlie was born into our extended NJADS family to Miss Dani from our Ancaster studio, her husband Ivars and big sister and NJADS dancer Riley.

Charlie showed a love for music and dance at a young age even though his health prevented him from being able to walk.

As most of you know now, Charlie left our earth a little too early on April 10th, 2023. His second birthday - June 4th - just two months away.

We hope this scholarship can continue to help dancers with untapped potential to have the dance journey he couldn't have.

We are pleased to announce this year that our scholarship winner is
Amelia Meldrum

Amelia will have her dance tuition covered by NJADS for season 21!

Happy Heavenly Birthday Charlie
