Our Sparkle winners this month are Avery Medeiros Miller for the Hamilton location and Zoey Beynon for the Ancaster location. Winners please see admin for your prizes!

What is the Sparkle Jar?

All year dancers can earn sparkles by showing us what makes them special. Dancers who stand out by helping another dancer saying something positive or uplifting to a dancer needing a little friendship, or perhaps going out of their comfort zone and trying something new. Dancers can also earn them at the discretion of the teachers for learning a new skill particularly if it's one they struggle with but showed persistence. Anything that demonstrates our Studio Values: PLIE - Positivity, Leadership, Integrity and Education!

We are asking our dance families to help us be “courteous neighbours” to the businesses around us. Both locations are in buildings that are shared.

In our Ancaster location we share the space with Lion’s Heart Family Martial Arts. Please do not move, or sit in the chairs in the lobby which are in the back half of the lobby behind the washrooms. This is seating for the karate parents. Our seating is right by the front entrance as well as inside our unit around the cubbies.

In our Upper James location we ask that you not block the elevator when waiting in the hallway as this is an important entry point for a number of upstairs businesses. We ask that in both locations you help us to keep the shared spaces safe and tidy by cleaning up any food and spills, and keeping liquids off the carpeted areas.

Adult classes begin October 2nd! Join us for another season of adult dance! Performance opportunities are optional and all classes are suited to accommodate all experience levels even beginners!
