**WE'RE BACK TO DANCE!**

**SEPTEMBER NEWSLETTER**

Welcome back to all our dance families! We are very excited to be starting our 21st season! Each month we send out a newsletter with information on what is coming up this month as well as our students of the month, important information about holidays, closures and more.

## BACK TO DANCE TIPS

1. Arrive 5 minutes before class.

Avoid rushing to reduce anxiety. Check which studio classroom they are in to make things easier on the first day (this is listed on your confirmation email).

# BACK TO DANCE TIPS

2. Have your dancer arrive dressed in appropriate dancewear per our [dress code](#) and with a bottle of water.

3. Remind your child of classroom etiquette:

-Arrive on time

-Raise your hand/ask to leave  
the classroom

-Be kind to classmates

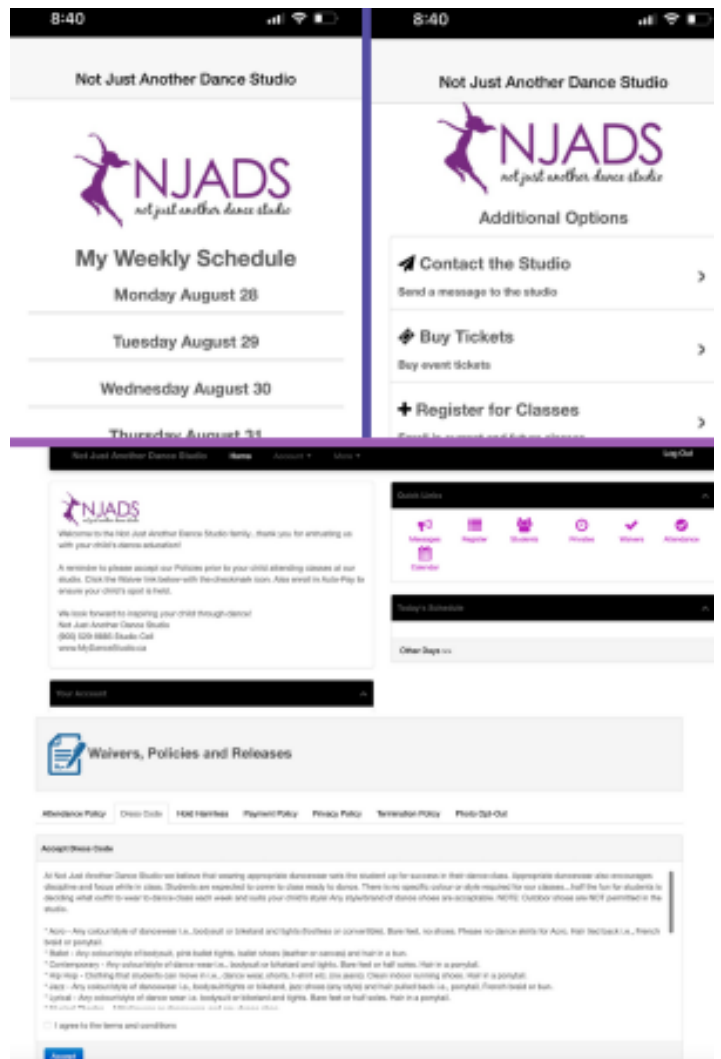

4. Trust the instructors. Many dancers are nervous for their first class but often once they are welcomed in with staff and our assistants they become more comfortable.

## CHECK OUT OUR PARENT PORTAL

Here you can submit an absence, view all our newsletters and emails, your class schedule and more.

You can also download the app DanceStudio-Pro Portal!

## STUDIO ILLNESS POLICY

With the return to school, dance and the fall season we know this means colds, flus and increased COVID cases. We remind anyone who is ill to **stay home** for the health and safety of themselves, our dancers and our staff.

For more policies including payment policies [CLICK HERE](#) or visit our parent portal.

## **PARENTS NIGHT OUT AT CLUB 54**

Parents are welcome to join us for a "Parents Night Out" at Club 54 on October 14th.

**Tickets are \$15**

**Doors open at 9:30**

**Comedy Show 10:00-11:00**

**Dancing 11:00**

Watch our social media for ticket sales starting late September.

100% of the ticket sales go to support the competitive team at the year end Gala which allows the dancers to celebrate each other and their growth through the competitive season.

**WEAR GREEN TO CLASS**

For World Mitochondrial Disease Week September 18-23rd

**WORLD  
MITOCHONDRIAL  
DISEASE WEEK**

**Dress in Green  
Week**

In April of this year Miss Dani from our Ancaster location and her husband Ivars lost their son Charlie, little brother to dancer Riley.

Our dance family lost little Charlie to a mitochondrial disease known as Leigh's Syndrome.

The mitochondria are the power houses of the cells in our body that provide energy to help our bodies function in all tasks from eating to dancing!

You can learn more about this week by visiting the [official website](#)
