Parking Lot Safety

A few safety notes about our parking lots:

1. Our parking lots are shared with other businesses so they can be quite busy. Please remember there are children walking through the parking lot and to thoroughly check your mirrors and cameras before reversing and note your speed.
2. As it gets dark earlier we ask that you please be sure to meet your child inside the building or at the doors. We do not dismiss children if a guardian is not present.
3. Please allow yourself time to get from place A to place B. It's tempting to use your 45 minutes to do your holiday shopping but as lines get bigger often parents are rushed to get to class or pick up their child on time. We'd rather have a late dancer if it means they're arriving safely! If you can safely do so you can call or text us at 905-529-9885 to let us know may be late.
