

December Newsletter

The holidays are here and your December newsletter includes important dates about upcoming events, in class viewing and most importantly holiday closure dates.

Santa needs some helper elves this holiday season! On December 10th from 1:00pm-3:00pm, our Studio elves will be on site, assisting with the training to get your child ready to be one of Santa's Elves Crew! All that pass the training will receive a certificate at the end of the academy training. We'd love to tell you all the fun crafts and activities that they will be doing, but it is top secret! \$20.00 per participant.

[Register Now!](#)

Did you catch our post this past Tuesday about Giving Tuesday? Giving Tuesday serves as a day to stop and remind ourselves of ways we can give outside of buying presents.

Throughout the remainder of our December classes NJADS has 3 ways to give right in the studio!

1. [Donate to our Winter Coat Drive](#)

to support children in need of weather appropriate clothing in the Hamilton area. Gently used coats can be dropped off at both locations.

2. [Support our drive for the Good Shepherd](#)

by bring in brand new gloves, scarves, hats, mitts and socks.

3. [Recognize a classmate](#)

by asking for our peer recognition stars. When your classmate does something kind or achieves a new skill or if an assistant makes you feel good about yourself and you'd like to thank them you can fill one out and post it on our wall!

Check out the post for more ideas.

A reminder that the studio will be closed from December 18 through January 5th. Classes start again Saturday, January 6th on our regular schedule.

December tuition remains the same. The studio bills for the total number of weeks in a year and divides it across the 10 months to make it easier for **you** by paying equal fees each month without worrying which one is more and which one is less!

We will still be here with camps and activities to keep you and your family entertained and in the holiday spirit!

Check out these activities:

12 Tricks of Christmas
A Hilarious Holiday Magic Show
Dec. 22
7:00PM

Winter Break Camps

January 3rd, 4th and 5th

2023 Family New Year's Eve Party
It's out with the old and ring in the new! Join us on New Year's Eve for a family friendly night out from 6:00-8:00pm! Friends, games, music and everything a party needs including an early evening countdown and a balloon drop so your little ones can head home to rest knowing they got to do the countdown too! [Register Now](#)

NJADS not just another dance studio PRESENTS

2023

FAMILY NEW YEAR'S EVE PARTY!

SUNDAY, DECEMBER 31ST
6:00pm-8:00pm

Winter Break Camps

If you are looking for ways to keep your kids busy during the holiday break we've got you covered! Kids will love our holiday break camps hosted by our Recreational Director Miss Natalie.

Camps run from 8:00-3:00pm, January 3rd, 4th and 5th. Register for just one day or all three by visiting hamiltonsbestkidscamps.ca

Did you know we offer private lessons?

To book a private lesson contact our admin team letting us know who you would like to book with and if you have a specific goal for the session. We'll coordinate with staff availability!

Music Theory & Composition Workshop and Tap Clinic

With Miss Alyssa

Tappers will love this unique and exciting new workshop hosted by Miss Alyssa. Join us January 6, 2024 from 4:00pm-8:00pm for an incredible line up of activities:

4-5pm Music Theory & Composition class (basic music theory, what are jazz standards, how jazz music and tap dancing come together).

5-6pm Improvisation class.

6-6:45pm Dinner break for students and band sets up.

6:45-8pm Tap Clinic with the band; dancing with live musicians, learning how to communicate with musicians, respond to changing tempos, and compliment the music (not get lost in it or overpower it).

This clinic is best suited for youth over the age of 9 and adults.

This is a reminder now with the colder, wet, snowy weather for **both dancers and parents** to please remove your boots or shoes in the hallway.

There are mats and shoe racks at both locations along the walls.

We appreciate your support in our efforts. The snow and the salt are not only slipping hazards but as the dancers will be coming into class in their dance shoes and barefeet the snow and salt are also damaging to their shoes, their feet and the studio dance floors.
