

Not Just Another

DANCE

STUDIO

Elite Team

SHOWCASE

Saturday, February 3, 2024 @ 5pm
Ancaster Memorial Arts Centre

On behalf of the dancers and our entire team, we extend a warm and heartfelt welcome to each and every one of you joining us today as our Elite Team takes the stage for the first time in our 2023-2024 season.

We have a special mention for our dancers, who have worked tirelessly to bring their art to the stage. Your cheers and applause mean the world to them—such expressions of support not only boost their confidence but also electrify their performance, adding a magical layer of connection between the stage and the audience. So, don't hold back! Let your claps and cheers ring out; it truly enhances the experience for everyone involved.

Before we start the performance, we have a tiny, yet monumental favor to ask—actually, two! First, please take a moment to ensure your cell phones are as silent as a secret. Why? Because nothing adds an unexpected twist to our performance like the sudden blare of a ringtone playing the theme from your favourite 80s sitcom. We're all for surprises, but let's save the drama for the stage, shall we?

And second, we kindly ask that you refrain from using flash photography. Not only does it give our performers unexpected moments of fame in the spotlight, but we're also pretty sure we've got a few vampires in the cast who are quite sensitive to flashes. So, let's keep everyone comfortably in the era we're portraying, and not accidentally reveal any centuries-old secrets!

Thank you for choosing to spend your time with us. Your enthusiasm and support fuel our continued commitment to creating unforgettable experiences and fostering a vibrant community through the arts. We hope that today's performance not only entertains but also inspires and moves you.

Our Team: The Heart of Our Success

At the core of our success lies an exceptional team of professionals, each bringing a unique blend of talent, passion, and expertise to our studio. Our instructors and staff members are dedicated to creating a vibrant, fun, and energized atmosphere that nurtures each child's potential. We believe in fostering an environment where students can flourish, be inspired, and be their best selves every day. It's this commitment to excellence and personal growth that makes our team truly outstanding.
